

How Our Values Drive Our Strategy

Leadership

SHOW THE WAY

Develop professional excellence so that our students, our people and the industry are the best they can be.

Communication

SPEAK OPENLY

Converse with respect and purpose so that our interactions are effective and meaningful.

Growth

GET BETTER EVERY DAY

Welcome challenges and be curious so that we thrive as a progressive and forward-thinking organisation.

Connection

STICK TOGETHER

Foster a code of belonging and respect so that we all feel part of the QRC community.

Outcomes First

We are driven by informed, ambitious students who strive for success.

Business Development

We build capability by embracing new technology, improving our infrastructure and programme development.

Promote the Industry

We build strategic alliances and lift the status of the workforce by celebrating what we do.

Be Well

We understand each other's needs, value the college culture and recognise the importance of sustainability.
