

As part of your Term 5 Leadership paper you will be required to complete x2 offsite days based at Moke Lake.

It is essential that you have all items on the below gear list!

716.602/816/602 Leadership

Content Summary

Analyse and apply key leadership theories, identifying behaviours, techniques and attributes of effective leaders and identify how these relate to the developing manager and creation of a positive workplace culture within tourism and hospitality.

Know It (Knowledge to be gained through learning)

- a) Identify and define effective leadership behaviours, techniques and attributes
- b) Identify leadership theories

Do It (Practical or technical skills students apply in learning)

- c) Analyse and evaluate research findings to discuss five major leadership practices
- d) Construct a development plan for leadership seminar

Be It (Learning Outcomes, students will be a practitioner who can do this)

1. Create and publish a virtual seminar that analyses leadership skills for developing managers
2. Analyse and apply leadership skills that contribute to a positive workplace culture and the development of staff
